Re: Hansen Stone Quarry
State Lease ML-35528

Dear John:

Included with this letter please find the copies of the contents of our rules on the above referenced operation. We feel that the Mining and Reclamation Plan is adequate and hereby submit it to you as our recommendation. As the mine, as proposed, will result in minor disturbance we plan to file only a notice of action with the ECC if and when your Board approves this lease application.

Sincerely,

Brian W. Buck *tlb*
